### LIABILITY WAIVER

I hereby acknowledge and accept that there are inherent risks involved in the collection, identification and ingestion of wild mushrooms. I realize that mushroom forays are held in public woodlands where natural hazards do occur, immediate medical attention may not be available and the foray leader may not be trained in emergency treatment. I further understand that people can have known or unknown food allergies and that people can experience gastric disturbances from ingesting wild mushrooms.

In consideration of this acknowledgement and my voluntary participation in activities relating to the Michigan Mushroom Hunters Club (**MMHC**), having read this waiver and understanding the risks involved in participating in the **MMHC** events, and of the agreement by the **MMHC** to allow me to participate in its activities.

I hereby release, on behalf of myself, and my successors, heirs, assigns, executors, and administrators, the **MMHC**, its officers, directors, members and volunteers from any claims of liability or demand whatsoever, including but not limited to bodily injury, sickness, disease, death, property loss or damage, or any other loss or damage of any kind which may arise out of or in connection to my participation in **MMHC** events, whether resulting from negligence or from some other cause.

I have read and understand the forgoing Waiver of Liability, and by signing below I indicate my agreement. It is my intent to be legally restrained from asserting any claim connected herewith and I understand that this agreement is unconditional and may not be waived by any person for any reason whatever.
